Dear Ashton,

Thank you for submitting the Reporting Year 2020 Green-e® Climate Verification materials for TerraPass. Based on the materials submitted and reviewed, you have demonstrated compliance with Green-e® Climate verification requirements for RY2020 certified sales. Your obligations for RY2020 Verification are now complete.

If you have any questions, please contact Pat Brewer by email at climate@green-e.org or by phone at (415) 561-2133. We appreciate your continued commitment to delivering the highest-quality voluntary carbon offset to your customers and look forward to your continued participation in the Green-e® Climate program.

Regards,
